

THE NEW “DANCING NORMAL”

Since the unprecedented onslaught of COVID19, we are pleased to be fully re-opened and operating within COVID Safe government guidelines.

We have had to make some adjustments to our offerings to keep both you and us safe, including slightly shorted classes to allow the safe change over of clients, and restricted numbers on all classes. We are however delighted to report that despite the considerable increase in our costs with extra PPE and COVID Safety measures, we have been able to keep our price list the same!

One of the small changes you will notice is that only people from the same household are currently allowed to dance together. Therefore, we have introduced our new “Dancing Solo” classes as well, where you learn the dances with social distancing with the new and unique “Shadow Dancing” systems. This works magnificently well, and both couples and solo dancers can learn and improve from this new way of teaching. These classes are clearly marked as “Dancing Solo”. It makes us wonder why we did not think of it before!

As always, if you have any questions, please feel free to call us on 01245 473355.

If you are new to CDC we would like to welcome you to the family – and if you were with us before Lock-down, “Welcome Back”!
